

Year 10 Geography

Links to careers/SMSC/Personal Development

Geography skills and knowledge you gain can be used in almost every job sector. Geography supports spiritual development by promoting a sense of wonder and fascination with the physical and human world. The study of geography stimulates an interest in and a sense of wonder about places. It helps young people make sense of a complex and dynamically changing world.

LEARNING JOURNEY

On to year 11!

End of Year 10

Preparation and the carrying out of the fieldwork, followed by the write up

Human Fieldwork

Rivers and Coastal landforms

Summer

What physical processes shape landscapes?

Distinctive Landscapes

What is a landscape??
