YEAR 10

Describe

What are the different religious and non-religious beliefs about life after death?

YEAR 9

KS4 Learning Summary

In KS4 students will further consolidate their learning developing a more specialist and comparative understanding of the Christian and Jewish beliefs studied at KS3 in relation to contemporary society and worldviews. Students will further build on their understanding and application of the skills of analysis, evaluation and academic literacy from KS3 and further refine the skills of source of wisdom and authority analysis in understanding how scriptural teachings inform beliefs and practices.
